 Notes: 1. To attach the related certificates, in the case of the application for dormitory accommodation in a special capacity. 2. Upon receipt of the approval, the students may accommodate the dormitory for one (1) school year (1st semester and 2nd semester) only, but are not allowed to apply for vacating the dormitory or refund of payment in mid of the school year (unless they suffer from some notifiable disease) 3. The students who privately vacate, or are ordered to vacate, the dormitory in mid of the school year shall be prohibited from claiming refund of payment and applying for the dormitory accommodation again, and be imposed punishment therefor. 4. The dormitory students are not allowed to transfer their dormitory bedrooms to any others or switch the same privately, after the dormitory bedrooms are decided. Those who fail to comply with the requirement be canceled from the accommodation and be imposed the relevant punishment 5. Upon receipt of the approval, the students shall comply with the dormitory's requirements and attend the various activities held by the dormitory. (Note: The public announcement for the latest amendments to the student handbook, Dormitory Rules and related requirements, if any, shall apply.) 6. Please advise any special physical conditions (e.g. asthma, heart disease, and mental illness, etc.) to the dormitory supervisor in advance to help arrangement of the bedrooms. ※ If you are willing to comply with said requirements, please enter your signature here in person.
